Dear Mr. Hayakawa:

We are pleased to receive your application for corporate membership with the favorable recommendation of the chapter for your election.

However, effective January 1, 1969, first year's dues have been increased from \$10 to \$25. The admission fee of \$10 remains the same.

We are returning your check that accompanied your application, since it is in the amount of 1968 dues, and request that you write and send us another one for \$35 (representing first year's dues, subject to election, and the admission fee). Upon its receipt, prompt and final action will be taken on your application.

For your information, annual dues to the AIA are now as follows:

- 1st year - \$35 (of which \$10 is for the admission fee).
- 2nd year - \$50 plus supplemental dues, if liable, for which the member will be billed at the proper time.
- 3rd year and every year thereafter - \$75 plus supplemental dues, if liable, for which the member will be billed at the proper time.

Thank you for your cooperation. We are looking forward to having you as a member in the very near future.

Sincerely yours,

Maureen Marx, Manager

Dear Mr. Hayakawa:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in The Institute.

In the near future, you will receive some literature regarding The Institute, which we hope you will find interesting, and a lapel emblem. In approximately one month you will receive a certificate of membership, either directly from The Institute or through formal presentation by the Chapter.

You are assigned to the Southern California Chapter and the California Council of the AIA, effective January 16, 1969.

I sincerely hope that you will take an active and interested part in your Chapter's activities. The Chapter is the cornerstone of The Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to feel free to call on any of The Institute officials or staff members any time the need arises.

Sincerely yours,

George E. Kassabaum, FAIA
