Dear Mr. Crowell:

As you know, every corporate member of The Institute must be assigned to a local chapter and pay dues to that chapter, as well as to The Institute.

When local dues remain unpaid, the chapter may request The Institute to suspend or terminate the membership.

It is a long-established policy of The Board of The Institute to support the chapter in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned.

The Florida South Chapter has requested that your membership in The Institute and the Chapter be suspended for non-payment of chapter dues.

The purpose of this letter is to ask that you clear your account with the Chapter, thus maintaining your membership in good standing; and to suggest that thereafter you request a transfer of your chapter assignment to the Saginaw Valley Chapter of the A.I.A., in whose territory you now are located.

Your response to the above will be greatly appreciated, not later than January 14, 1951, for we must proceed to act on the Chapter's recommendation that your membership be suspended thereafter.

The Secretary of the Florida South Chapter is Mr. Dean Parmelee, 605 Lincoln Road, Miami Beach, Florida, should you wish to communicate with him in this matter.

We hope we shall hear from you favorably in this matter.

January 30, 1963

Mr. John N. Crowell
225 South Palm Avenue
Sarasota, Florida

Dear Mr. Crowell:

As you are aware, every corporate member of The Institute must be assigned to a local chapter and state association, where one exists in the state, and pay dues and assessments levied by these component organizations of The AIA.

When local dues and assessments remain unpaid, the chapter or state association may request The Institute to suspend or terminate the membership.

It is a long established policy of The Board of Directors of The Institute to support the component organizations in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate membership concerned.

The State Association to which you are assigned has requested that your corporate membership be suspended for non-payment of dues.

The purpose of this letter is to suggest that you make payment of outstanding dues, thus preserving your corporate membership in good standing.

Your response to the above will be appreciated prior to ~~March 1, 1963~~ for we must proceed to act on the recommendation to suspend your membership if payment for past state association dues is not received by that date.

“A corporate member is not in good standing in The Institute or in any of its component organizations if he is under suspension. Immediately upon the suspension of a corporate member, his rights in The Institute and in any of its chapters or state organizations shall be withdrawn until he is restored to good standing.”

Your dues to The Institute and the chapter will continue during the period of your suspension.

The purpose of The Institute in permitting a membership to be suspended for default of dues rather than terminated forthwith is to enable the member in default to restore his membership within the period of one year from the date of suspension, without paying a readmission fee and without applying therefor. The period of grace in your case terminates one year from the date of your suspension unless your indebtedness for dues is taken care of in the interim.

If your good standing is not restored before the end of this period then your membership in The Institute and its component organizations may be terminated by The Board of The Institute upon recommendation of the Chapter.

The Board regrets your suspension and hopes that you will soon restore your good standing by payment of all outstanding indebtedness for Institute and/or chapter dues.

NOTICE OF SUSPENSION OF MEMBERSHIP

To: John M. Crowell
81 Fillmore Dr.
Sarasota, Fla.

It is with much regret that we send to you, and to your chapter secretary, this notice of the suspension of your corporate membership in The Institute, and in its component organizations to which you are assigned—because of nonpayment of Institute dues described as follows: Regular Dues , Supplemental Dues .

This suspension is effective as of December 31, 1962. The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

The purpose of The Institute in permitting a membership to be suspended at the end of the year for default of dues rather than terminated forthwith is to enable the member in default to restore his membership within the period of suspension, without applying therefore and without paying a readmission fee. The period of grace terminates on December 31 of the year next following the date of suspension: in your case, on December 31 of the current year.

At any time during the period of suspension you may restore your membership to good standing by paying to The Institute your defaulted dues.

We sincerely hope that circumstances will make it convenient for you to meet your present obligation to The Institute before December 31, 1963.

The Institute values and needs your active support. The other Officers join with me in the hope that your membership may soon be restored to good standing.

Sincerely yours,

Clinton Sawicki
