

What is **ArchiPrep**?

ArchiPrep® is AIA's premier Architect Registration Exam® (ARE®) prep resource designed to help emerging professionals get licensed faster. Responding to a need expressed by its members, AIA created ArchiPrep as a high-quality, low-cost study tool to offer ARE candidates a road map to success. ArchiPrep provides original and reliable test prep content with features to help lower the barrier of entry into the ARE. ArchiPrep launched to Assoc. AIA Members on August 1, 2019.

How will Associate Members currently studying for the ARE benefit from ArchiPrep?

The benefits to candidates include:

- Original content is created by AIA National and vetted by subject matter experts, including practicing architects and faculty from accredited university architecture programs.
- New content and item types added on a regular basis.
- All materials mapped to NCARB ARE 5.0 division and section objectives.
- Dynamic platform that allows users to track progress and performance.
- Mobile-friendly, including offline access.
- Connect online with other candidates in public or private discussion communities.

- Divisional study plan that lets you set test dates and goals by each division of the ARE.
- Enhanced filtering during quiz review so you can narrow questions by difficulty, correctness, and bookmarks.
- More learner achievements when you study and complete tasks.

What is the pricing?

The current retail pricing for individual access to ArchiPrep is \$35 for a one-month subscription, \$90 for a three-month subscription, and \$160 for a six-month subscription. Components are offered a discounted price for group use.

STUDY PLAN

Charting a course

The Study Plan is loaded with valuable information to keep you organized and on track. It's designed to ensure you're guided through course material in the most optimal way.

- Access all of the course content in each division.
- Study Tasks make up the Study Plan and are the roadmap to course completion.
- You'll complete every Study Task to earn Knowledge Points, which count towards your Daily Study Goal. Reaching your Daily Study Goal will keep you on track for test day.

The screenshot shows the ArchiPrep Study Plan interface. At the top, the user is logged in as 'ArchiPrep - Construction & Evaluation'. The main area is titled 'Study Plan' and 'Structured Plan'. A red box highlights a 'Study Goal' of 8, with a progress bar showing 0/87 and 4% completion. Below this, a red banner says 'Welcome to ArchiPrep' and '2 Knowledge Points'. A 'Study Task' button is visible. The main content area lists tasks for 'Construction & Evaluation | 23 Tasks | 614 Knowledge Points'. The tasks listed are:

- Bulletproof Contract Administration: Managing Risk during Construction (20 Knowledge Points)
- Bulletproof Contract Administration: Managing Risk during Construction Knowledge Check (20 Knowledge Points)
- Construction & Evaluation Flashcards: Set 1 (40 Knowledge Points)
- Construction & Evaluation Practice Questions: Set 1 (26 Knowledge Points)
- Construction & Evaluation Practice Questions: Set 2 (28 Knowledge Points)
- Construction & Evaluation Practice Questions: Set 3 (30 Knowledge Points)
- Construction & Evaluation Practice Questions: Set 4 (30 Knowledge Points)
- Construction & Evaluation Practice Questions: Set 5 (30 Knowledge Points)
- Construction & Evaluation Practice Questions: Set 6 (30 Knowledge Points)

A yellow circle with the text 'CHOOSE A STUDY TASK' and an arrow points to the list of tasks.

STUDY QUESTIONS

Test your knowledge

Study questions enable you to test your knowledge without having to sit for a whole quiz! It's great for on-the-go studying.

- Attempting a high amount of study questions significantly improves your chance at a higher quiz score.
- While answering questions, you can “cross out” answer choices you don't think are correct. You can also choose to review the correct answer immediately after each question or at the end of your session.

The screenshot displays the ArchiPrep Study Questions Dashboard. The interface includes a navigation sidebar on the left with options like Home, Study Plan, Study Questions (highlighted), Quizzes, Resources, Flashcards, Discussions, and Game Center. The main content area shows a 'Dashboard' with a '9.1% Completion' progress bar. Key statistics include 31% Correct, 13 of 143 Questions Taken, and an Avg. Answer Time of 00:00:29. Below this, a table titled 'ARE 50 Divisions' provides a breakdown of performance across various divisions.

Division Name	Complete	% Correct

PRACTICE MINI QUIZZES

Be prepared

Practice quizzes are timed to help prepare for test day.

- You can pause a quiz at any time, but to help gauge your readiness for test day, try to set aside enough time to complete practice quizzes in one sitting.
- Enhanced filtering during quiz review so you can narrow questions by difficulty, correctness, and bookmarks.
- Once you've completed a quiz, you can review the correct answers to individual questions and see your scores within specific content categories.

FLASHCARDS

Study support

Flashcards enable you to study small bits of information and give you exposure to the different question types and concepts.

- Over two hundred flashcards are currently available and more are on the way—you can also create your own!
- Mark your answers to improve your studying.

The screenshot shows the ArchiPrep website interface. The top navigation bar is red with the ArchiPrep logo and the text 'ArchiPrep - Construction & Evaluation'. Below the navigation bar, there are tabs for 'Flashcards: All', 'Study', 'My Sets', and 'Community Sets'. A search filter and a 'View List' button are also visible. The main content area displays a flashcard with the word 'Substitution' and its definition: 'A material, product, or item of equipment accepted for use in place of another specified item.' Below the definition are three buttons labeled 'No', 'Kinda', and 'Yes' for marking the answer. A yellow circle with the text 'MARK YOUR ANSWERS' and an arrow points to the 'No', 'Kinda', and 'Yes' buttons.

DISCUSSION BOARD

Communicate

Discussions are a great resource to get advice, ask questions, or organize study groups with other students using ArchiPrep.

- Use private groups to interact with specific individuals or groups of people.

The screenshot displays the ArchiPrep website's discussion board. The interface includes a navigation menu on the left with options like Home, Study Plan, Study Questions, Quizzes, Resources, Discussions, Game Center, and Search. The main content area is titled 'Discussions' and is divided into 'Public' and 'Private' sections. A search bar is present at the top of the discussion list. The first discussion is by user JH, asking about window wall manufacturing. A yellow callout bubble with the text 'TOPICS RELATE TO A SPECIFIC QUESTION' points to the topic 'Integration of Building Materials & Systems' in this discussion. Other discussions include questions about study material for POD, quiz duplication, and program interest.
