

Live in **2** days | Welcome Activity: Resonance Listening | Thursday, April 8 from 9:00 AM to 9:45 AM | You are admin

About this event

Objectives

- Provide a safe and brave space for AIA staff to engage in conversations around equity, inclusion and belonging
- Understanding the definitions of what those terms mean, both in a broad context and at AIA
- Providing a space for individual learning and empowerment
- To allow for engaging in conversations as people are comfortable and meeting them where they're at. Allowing room to speak, quietly reflect, talk with others in small groups and learn as individuals.
