Bylaws Amendment 22-A

Subject	Clarity Regarding College of Fellows
Background	<p>The College of Fellows (College) is required to maintain its own separate set of Bylaws, stating its purpose as a 501(c)(3) corporation separate from the AIA's 501(c)(6) corporation, for fundraising purposes.</p> <p>The College's own bylaws state its purpose; it is unconventional for AIA as a separate entity to state the College's purpose in the AIA Bylaws. To ensure clarity between the two legal entities, the Board recommends deleting references to the College's stated purpose, which will prevent inconsistency and confusion between AIA's Bylaws and the College's.</p>
Required Vote to Amend Bylaws	Amendments to AIA Bylaws require approval by an affirmative two-thirds (2/3) vote of the delegates at the meeting, determined in the manner prescribed in Section 9.011 of the Bylaws.
Motion	The delegates assembled at the 2022 annual meeting amend the AIA Bylaws as they appear below and authorize the AIA Secretary to renumber any sections and section references resulting from such amendments.

Bylaws Amendment 22-B

Subject	Endorsements
Background	<p>Section 1.3 was added to the Bylaws in 1935 and has remained largely untouched since that time. Membership associations like AIA have evolved substantially in the past 85+ years, and the absolute proscriptions in Section 1.3 no longer align with how nonprofit membership associations operate, given the common practice of establishing strategic partnerships, affinity arrangements, and the like.</p> <p>Currently, there are numerous other checks and balances within the organization, including but not limited to the AIA Office of General Counsel, to ensure the AIA, its leadership, and staff do not inappropriately align the AIA with other third parties.</p>
