

The Generational Tech Divide

Je'Nen Chastain, Associate AIA
Founder, Apostrophe Consulting

Karen Robichaud
Founder, Karen Robichaud LLC

LEARNING OBJECTIVES

- Discuss how different generations use technology.
- Consider how technology is causing a gap between generations.
- Examine how to bridge the gap with technology.
- Discuss how design and office management tools and software has transformed how we work.

REFLECTION: FREE WRITE

- What are your assumptions about today's session?
- What are the biggest pain points you've encountered related to technology?

THEMATIC DISCUSSION

- What gets you excited about technology?

THEMATIC DISCUSSION

- What gets you excited about technology?
- What are barriers to entry with technology?

THEMATIC DISCUSSION

- What gets you excited about technology?
- What are barriers to entry with technology?
- Share technology advancements and processes you've seen work or not work.

THEMATIC DISCUSSION

- What gets you excited about technology?
- What are barriers to entry with technology?
- Share technology advancements and processes you've seen work or not work.
- Whose preferences (in your chapter / firm) guide workflows?

THEMATIC DISCUSSION

- What gets you excited about technology?
- What are barriers to entry with technology?
- Share technology advancements and processes you've seen work or not work.
- Whose preferences (in your chapter / firm) guide workflows?
- What guides decisions about technology in your chapter / firm?

DISCUSSION BREAK DOWN (30 minutes)

10 minutes: introductions + share your reflections

10 minutes: choose a thematic discussion to explore

10 minutes: wrap-up thematic discussion & identify talking points:

2 MINUTES TO SHARE:

- What question(s) did you discuss?
- What was the biggest takeaway at your table?

THANK YOU!
